

## Deakin University Building C Backlog, Burwood

arete Australia completed the Deakin University Building C Back-log works for Levels 1, 2, 3, 4 and 5.

The works included floor finishes, ceiling tile replacements, new joinery items and make good of the existing office and toilet areas.

The challenge with this project was meeting the handover for Levels 4 and 5 as the existing furniture needed to be reworked within the small space.
