

Swinburne University Graduate School of Entrepreneurship

Swinburne University has elected to undertake a long awaited upgrade to the Australian Graduate School of Entrepreneurship. The project totals over 1700m² of state-of-the-art tertiary fit-out across 2 levels of live teaching space. This staged project will produce better teaching and office facilities, a new lecture theatre and includes new-build Meeting/Breakout Space pods.

Location: Victoria, Australia

Value: \$2,400,000

Client: Swinburne University of Technology

Consultants: Spowers Architects, Wilde & Woollard
