

## Swinburne University Graduate School of Entrepreneurship

Swinburne University has elected to undertake a long awaited upgrade to the Australian Graduate School of Entrepreneurship. The project totals over 1700m2 of state-of-the-art tertiary fit-out across 2 levels of live teaching space. This staged project will produce better teaching and office facilities, a new lecture theatre and includes new-build Meeting/Breakout Space pods.

**Location:** Victoria, Australia

**Value:** \$2,400,000

**Client:** Swinburne University of Technology

**Consultants:** Spowers Architects, Wilde & Woollard
